

## Training Room and Conference Suite Hire

Quorum Logistic Support is an Integrated Logistic Support (ILS) Consultancy based in Telford. Our new purpose built premises in Hadley Park have a state of the art training facility/conference room which is available for hire to local businesses.

It has been designed to be fully configurable to accommodate up to 30 conference chairs with writing tablets, or 10 large desks in various arrangements.

The room is equipped with a 'state of the art' touch screen controlled Audio Visual suite comprising:

- A resident computer with Office 2007 professional
- SMART Sympodium interactive pen display
- DVD/VHS player and sound system

In addition, the Lectern is internet enabled and has selectable VGA & video inputs enabling presentations to be run from a laptop feed or any other video source. A flipchart and whiteboard are also available on the presentation wall within the suite.

The facility also features a comfortable lounge area, which is ideal for syndicate work or smaller break out groups.

For all attending delegates there is secure WiFi internet access throughout the training facility, or alternatively there is the option to use the dedicated Ethernet LAN ports that are contained within the floor boxes.
